## **Declaration of PFAS Compliance**

Per- and polyfluoroalkyl substances (PFAS), sometimes called "forever chemicals," is a group of thousands of substances widely used in many industries. Due to growing awareness of health and environmental concerns, PFAS are facing increasing scrutiny worldwide. In-force and proposed measures set restrictions or requirements on PFAS use in some jurisdictions, and due diligence may be necessary to meet legal obligations, ESG commitments, and/or business requirements.

Chiplus hereby declares that all our memory products SRAM, DRAM (except for packing/packaging materials) which are compliant with PFAS regulations.

This Declaration contains the entire understanding between you and Chiplus with respect to this subject matter and supersedes all prior agreements, understandings and representations.

A handwritten signature in black ink that reads "Stanley Fan". The signature is written in a cursive, flowing style.

Stanley Fan  
QRA Manager  
Chiplus Semiconductor Corp.
